21-22 JANUARY

BRUSSELS

FINAL CONFERENCE
2016 | BRUSSELS
21-22 JANUARY

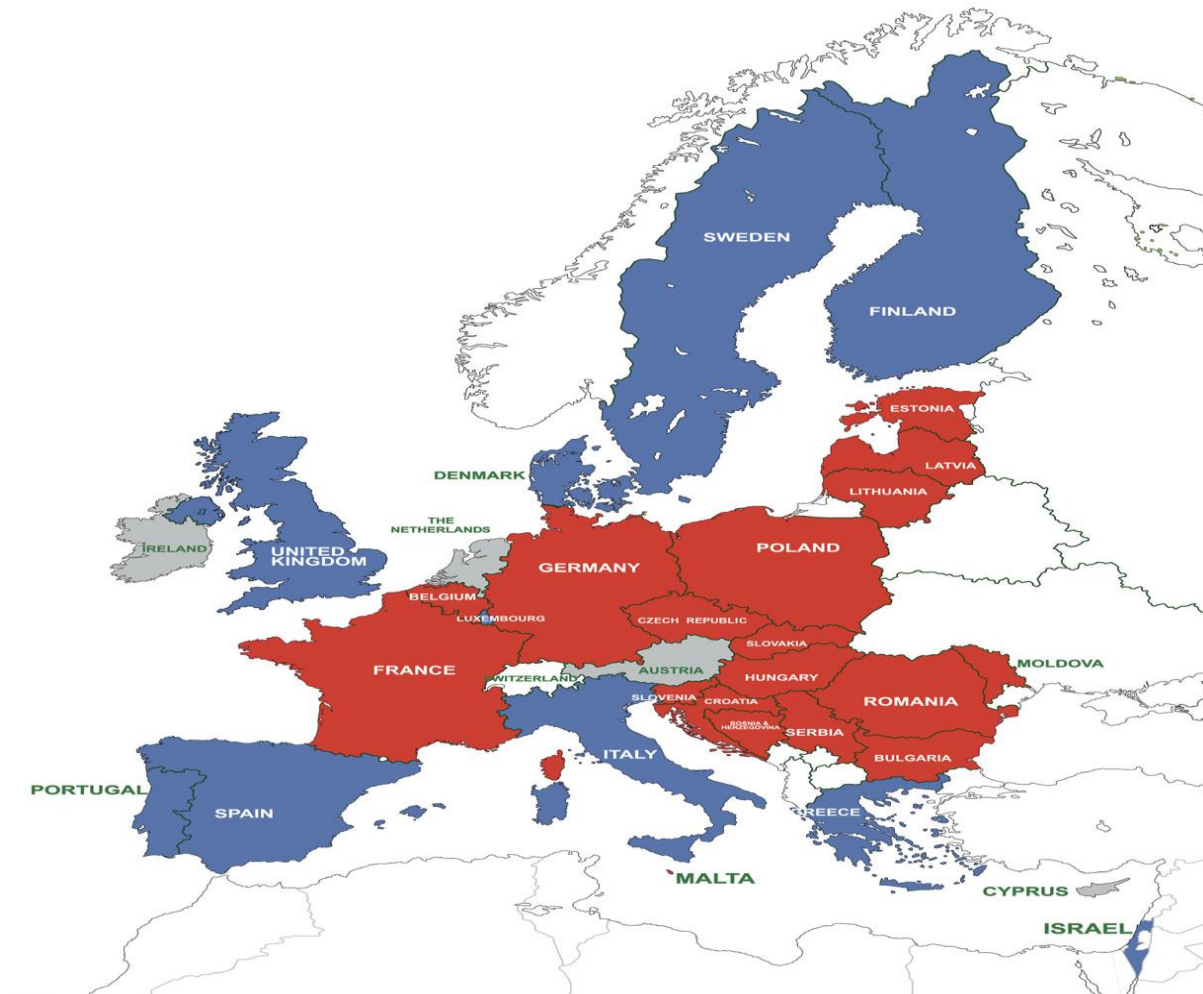

Response from:

Nigel Henderson, President,

Mental Health Europe.

FINAL CONFERENCE 2016 | BRUSSELS 21-22 JANUARY

-  Countries where the number of people with mental health problems receiving long-term support in the community is greater than the number of people in long-stay hospitals or institutions
-  Countries where the number of people with mental health problems receiving long-term support in the community is lower than the number of people in long-stay hospitals or institutions
-  Unknown

FINAL CONFERENCE
2016 | BRUSSELS
21-22 JANUARY

Dignity is concerned with how people feel, think and behave in relation to the worth or value of themselves and others.

To treat someone with dignity is to treat them as being of worth, in a way that is respectful of them as valued individuals.

Extract from RCN's definition of dignity

FINAL CONFERENCE
2016 | BRUSSELS
21-22 JANUARY

- Put recovery principles and values at heart of all mental health strategies/policies to ensure a culture shift.(put the voice of lived experience at centre of this)
- Increase peer support roles/jobs
- More early intervention and prevention
- More supported decision making and less substitute decision making
